Description	<p>On December 22, 2021, the NSS Committee conducted a heartwarming initiative by organizing a Blanket Distribution campaign as part of its Social Awareness program. With the winter season at its peak, the committee recognized the pressing need to address the challenges faced by the less fortunate in combating the cold weather. The event involved the distribution of blankets to homeless individuals, underprivileged families, and those living in vulnerable conditions. The NSS volunteers, driven by a spirit of empathy and community service, actively engaged with the recipients, sharing warmth not only through blankets but also through kind words and gestures. The distribution took place in strategic locations identified in collaboration with local shelters and charitable organizations, ensuring that the blankets reached those most in need. This initiative not only provided immediate relief but also raised awareness about the importance of community support and collective action. The Blanket Distribution event proved to be a testament to the NSS Committee's commitment to social responsibility, highlighting the power of small acts of kindness in making a significant impact on the lives of individuals facing adversity.</p>

Description	<p>On December 2, 2021, the NSS Committee orchestrated a crucial Extension Activity - an Awareness Program on HIV/AIDS. Recognizing the importance of disseminating accurate information and dispelling myths surrounding this global health issue, the event aimed to educate and sensitize the community. Expert speakers, including healthcare professionals and HIV/AIDS advocates, delivered informative sessions covering the basics of transmission, prevention, and treatment. Engaging workshops facilitated open conversations, debunking misconceptions and addressing stigma associated with the virus. The program emphasized the significance of regular testing and destigmatizing the experience of those living with HIV/AIDS. Thought-provoking testimonials from survivors and affected individuals personalized the issue, fostering empathy among the participants. Additionally, the NSS Committee collaborated with local healthcare providers to offer confidential testing services, encouraging attendees to prioritize their health. Through this initiative, the NSS Committee not only heightened awareness about HIV/AIDS but also actively contributed to reducing the associated stigma, ultimately promoting a more inclusive and informed community. The program served as a catalyst for destigmatization, empowering individuals to make informed choices and fostering a supportive environment for those affected by HIV/AIDS.</p>
